

## WELCOME MY BROTHERS AND SISTERS

St Sergius (1314-1392) was a Russian Orthodox monk. His teachings and social programs made him one of Russia's most respected spiritual leaders. His monastery of the Trinity became the Russian centre and symbol of religious renewal and national identity.

During his lifetime, Russia experienced the ravages of the Mongol invasions. Yet, St Sergius lived by the belief – *through contemplation of the most Holy Trinity we can overcome the hateful divisions of this world*. So, with trust in his conviction about the power and example of the Trinity, St Sergius worked tirelessly to bring about unity among the warring parties; who then worked *together* for Russia's economic and cultural recovery.

In celebrating the Most Holy Trinity, we remember that the Father, the Son and the Holy Spirit are one. We too are meant to be one as they are one. Yet sadly, this is not always so. Our world is often fractured by division, prejudice, injustice, discrimination, intolerance, fear, retribution and violence. Issues and situations often become bogged down in a mentality of "us" and "them", with little hope for respectful dialogue, understanding and compromise.

The Trinity shows us the true path to unity. In the Trinity, each Person 'identifies' with the other, gives themselves to the other and sustains the existence of the other. The example of the Trinity is something which we can follow. Can we identify with each other, recognising our common humanity, suffering with each other and walking in each others' shoes? Can we give ourselves to each other in service, carrying each other's burdens? Can we sustain the existence of each other, strengthening social structures, policies and laws to ensure that people's needs are met? Can we forgive those who have wronged us and walk together on the path to peace and reconciliation? Can we share from our abundance with those who have nothing? Can we live together respectfully, recognising that every human life is an act of love from within the creative heart of the Trinity?

A famous early 15<sup>th</sup> century Icon of the Trinity by Andrei Rublev, 'written' for St Sergius' monastery, depicts three angels (representing the Trinity) at a table with four place settings. The fourth place is vacant and invites the viewer to take the seat and enter the Trinity's relationship of unity and love.

This image can be a helpful way for us to bridge differences, find common ground and heal divisions. But it means stretching ourselves to make a space for people who are different from us. It means inviting them to 'take a seat' in our lives and embracing them with gentleness and courtesy and welcoming them as brothers and sisters in the Trinity. Today's celebration calls us to recommit ourselves to end division and to build unity in our diversity.

## Parish Planned Giving Program

The renewal of our Planned Giving Program is held in June each year. This year though, with the Covid-19 restrictions, I am reaching out to you with this notice. First and foremost, I would like to thank you for your financial support in the past. It is because of your continued generosity that we have been able to start the building program for our new offices and the extension of the church foyer. The second collection is for the parish to be able function and meet its day to day demands. I would like to invite you to confirm your commitment and/or join our Planned Giving Program so our parish may continue to operate, function, grow and improve.

### Envelope System

For new parishioners and contributors wanting to donate through the envelope system you will need to complete a planned giving commitment card. For all our current contributors who would like to continue with the envelope system, your envelopes will be available in the foyer from the middle of June. If any of your contact details have changed or you would like to change the amount or frequency of contributions, you must complete a Planned Giving Commitment Card, phone or email the parish office.

### Direct Debit System

We encourage you to consider making your contribution through our direct debit system. This simplifies the work that is required and also gives greater security of our collections. Direct debit request forms will be available in the church foyer and the parish office and must be completed and signed. Those with direct debit already in place will only need to fill out a new direct debit request form if they want to change the amount or frequency of their donation. We need a signed form as we do not have the authority to change either of these without it.

All planned giving cards and direct debit request forms must be given to Fr Philip or handed into the parish office so they may be entered onto our system. Parish office hours are 9am to 1.30pm Tuesday to Friday.

Once again thank you for your generosity and God bless.

Sincerely,  
Fr Philip
