

LIVING LIFE TO THE FULL

Walking down a quiet street one evening, from the opposite direction I see the outline of a stranger approach. I can't make out his or her features, but I quickly cross the road to avoid the person. My heart starts to race, and I become more and more anxious. As I reach the other side of the road I check to see if I'm being followed. I also listen for the other person's footsteps.

But no footsteps can be heard. No one is nearby. Apart from the street lights and the occasional car going past I am alone in the darkness. There is nothing to be afraid of. While no one has been following me, for a few short minutes my body was racked with fear.

Fear is part and parcel of life. It is a typical and reasonable emotion that allows us to sense and respond to a potentially dangerous situation, but it can also overwhelm us to the point that it hinders rather than assists us. At its worst, we can become an anxious mess, trapped by our own harmful and irrational thoughts.

These negative episodes can occur when we encounter people who look, behave and talk differently to us; when we encounter mother nature at its most ferocious during a storm, a flood or a prolonged heatwave; or if we gaze into the mirror and ponder the fragility of life. We don't know what's around the corner. Life can be frightening.

In today's fast paced, digital media world, we can experience feelings of being left behind or thoughts of exclusion because we falsely believe we can't keep up with our colleagues. We may feel we're not as successful because our workmates may be younger and more proactive. Getting out of bed and facing another day in the office can sometimes be akin to climbing a mountain, the task almost insurmountable.

These emotions can be frightful and may cause us to consider hiding from the rest of the world. To hide from meeting new people; to hide from doing something new and life giving; to hide from a new and potentially grace filled experience provided by family, friends, complete strangers. Even God.

But that is not what God intends for us. God wants us to live full and productive lives and not to hide away. "For everything that is now covered will be uncovered and everything now hidden will be made clear." (*Matthew 10:26-33*)

God is continually reshaping the world, both in the natural environment and in the people around us. God made a beautiful world. It is a world we should embrace with full abundance each day as we are all blessed by God's grace and unending love for us

Parish Planned Giving Program

The renewal of our Planned Giving Program is held in June each year. This year though, with the Covid-19 restrictions, I am reaching out to you with this notice. First and foremost, I would like to thank you for your financial support in the past. It is because of your continued generosity that we have been able to start the building program for our new offices and the extension of the church foyer. The second collection is for the parish to be able function and meet its day to day demands. I would like to invite you to confirm your commitment and/or join our Planned Giving Program so our parish may continue to operate, function, grow and improve.

Envelope System

For new parishioners and contributors wanting to donate through the envelope system you will need to complete a planned giving commitment card. For all our current contributors who would like to continue with the envelope system, your envelopes are now available to be picked up in the church foyer. If any of your contact details have changed or you would like to change the amount or frequency of contributions, you must complete a Planned Giving Commitment Card, phone or email the parish office.

Direct Debit System

We encourage you to consider making your contribution through our direct debit system. This simplifies the work that is required and also gives greater security of our collections. Direct debit request forms will be available in the church foyer and the parish office and must be completed and signed. Those with direct debit already in place will only need to fill out a new direct debit request form if they want to change the amount or frequency of their donation. We need a signed form as we do not have the authority to change either of these without it.

All planned giving cards and direct debit request forms must be given to Fr Philip or handed into the parish office so they may be entered onto our system. Parish office hours are 9am to 1.30pm Tuesday to Friday.

Once again thank you for your generosity and God bless.

Sincerely,
Fr Philip

As the COVID-19 pandemic inflicts all sorts of difficulties around the world, Pope Francis in his Missionary Prayer Intention for June asks us to pray for those who are suffering. He reminds us that many people are suffering due to the great difficulties they are enduring and that we can help by accompanying them in prayer. Pope Francis asks us to pray that all those who suffer may find their way in life, allowing themselves to be touched by the Heart of Jesus.
